Spring is here.... and the schedule is full!

Spring time is here and we have just begun the CMAS/PARCC testing season. SAT for Juniors and PSAT10 for Sophomores is also quickly approaching in April. If your student is taking any Advanced Placement tests, those will be administered in May. The letter explaining fee and deadline of payment will be sent home this week. If you have any questions, please do not hesitate to contact Mrs. Head at karla.head@deltaschools.com.

A Note from the Counselor

Attendance Competition- The grade level with the best attendance will receive an ice cream party at the end of March!

Small Group Counseling - Sessions run once a week during ACCESS for 6-8 weeks depending on the needs of the students. Topics include; stress management, healthy habits, healthy relationships, and family. According to the American School Counseling Association (ASCA), "By allowing individuals to develop insights into themselves and others, group counseling makes it possible for more students to achieve healthier personal adjustment, cope with the stress of a rapidly changing and complex environment and learn to communicate and cooperate with others."
