

Good afternoon, Eagle Families! Below you will find pertinent information as we forge ahead for the 2019-2020 school year:

1. Junior High Chromebooks will be available **Tuesday and Wednesday (March 24 & 25), in the high school commons from 8 am - Noon** for redistribution. If your student turned his/her Chromebook in, it is ready. If your student needs to now check out a Chromebook, please let Mrs. Rowley/Mrs. Head (nancy.rowley@deltaschools.com or karla.head@deltaschools.com) know immediately and we will get one ready for your student. If your student has outstanding fees due to repairs, those can be paid at the high school office so that you can reclaim your repaired Chromebook. If you are unable to retrieve your Chromebook during these designated times, the school will again be open to pick up Chromebooks on Monday, March 30, from 8 am - Noon.

2. If you do not have access to the internet and your student needs a 'packet' of school work instead of the online format, please call the school office (970-527-4882) as soon as possible so that your student's teachers may plan accordingly. Elevate and TDS are both offering tremendous incentives right now to make internet available for students. Please consider contacting these companies to see if it is a 'fit' for your home.

3. Teachers will be communicating no later than next Monday, March 30, about how their respective class and/or Google Classroom will now be delivering content and expectations. Please have your student check their SCHOOL EMAIL for Google classroom invitations and communication.

Should you have any questions, please do not hesitate to contact the school at 527-4882. Thank you for your ongoing support of your student and our school! EAGLE PRIDE.... ALWAYS!
