

## Paonia Jr/Sr High School

---

Dear Staff, Students, Parents, and Community,

I hope this letter finds you healthy as we continue navigating the educational journey we are experiencing during this time. Our return-to-school process, along with offering the best possible educational experience for our students, remains our commitment here at PJSHS.

As we continue to monitor State and County guidelines, the District has outlined a *Restart Plan (Return to In-Person Learning)* that we'll adopt here on campus. It can be found on our district website at [www.deltaschools.com](http://www.deltaschools.com).

Our campus will implement the plan by offering in-person schooling, each day, with all of our junior high school students **and our high school students** beginning Monday, October 19, 2020.

Some of the key protocols we'll continue to observe while on campus are:

- Temperature checks and symptomatic screening each day for students, staff, and essential visitors
- Staggered bell schedule to minimize cross exposure
- Masks required while moving about the building, in classrooms with more than 25 students, or when unable to maintain a minimum of 3 feet of social distancing
- Classroom seating charts
- Social distancing protocols while in commons area
- Hand sanitation/washing upon exiting/entering the classroom
- Classroom desk/surface sanitation between classes

With this restart plan, our desire is to continue to offer an even more vibrant and meaningful experience for our students and generate a climate even more conducive to student success. We ask for your continued partnership as we attempt to ready our students for the current and next level.

Sincerely,

Randal Palmer, Principal
