## WINTER BREAK (FEBRUARY 14-20)

### Practical Parents - A Kidz Clinic

Our school-based health clinic, A Kidz Clinic, is offering monthly virtual parenting workshops. Topic for this month is Consequences. See that attached flyer for more information and an email address to register.

### Basketball/Wrestling Spectator Opportunities

Please see the Weekly Schedule for links to livestream opportunities for all basketball & wrestling events this week. For each local (in Delta County) event, all participants will be allowed to have two **parents** from their same household attend the game/match. Thank you to all of our parents for their cooperation with mask and social distancing rules and for helping us to keep our kids on the court/mat and fans allowed in our stands!

### Get Your Yearbook Now!

There's never been a school year like 2020-2021, but that doesn't mean there isn't still a lot worth remembering! It's a pandemic-proof tradition. The yearbook will contain unique moments that define this school year and can be ordered online directly from our new supplier, Josten's. Click [the link](#) here to order yours today!

### North Fork Reorganization Community Meetings

The Delta County School District Board of Education is currently considering reorganization options for schools in the North Fork Valley. The School District is looking for your input on this decision and will be holding a community meeting in Paonia on Wednesday, February 10, at Paonia Jr/Sr High School starting at 6:00 PM. There is also a Pros/Cons survey available on the district website at [www.deltaschools.com](http://www.deltaschools.com).

### NHS Applications Available Now!

Sophomores and Juniors with a 3.2 cumulative grade point average are invited to join the National Honor Society. Applications are available in the office. Application essays are due by February 26th.

### Winter School Credit Recovery
