Livestream via [YouTube](#)

Basketball/Wrestling Spectator Opportunities

Please see the Weekly Schedule for links to livestream opportunities for all basketball & wrestling events this week. For each local (in Delta County) event, all participants will be allowed to have two **parents** from their same household attend the game/match. Many out-of-county events are closed to spectators, but we will update as we get information from those schools. Thank you to all of our parents for their cooperation with mask and social distancing rules and for helping us to keep our kids on the court/mat and fans allowed in our stands!

Get Your Yearbook Now!

There's never been a school year like 2020-2021, but that doesn't mean there isn't still a lot worth remembering! It's a pandemic-proof tradition. The yearbook will contain unique moments that define this school year and can be ordered online directly from our new supplier, Josten's. Click [the link](#) here to order yours today!

COVID Protocols *Change*

Our goal is to keep our students learning in-person for as long as it is possible to do so safely! Our school district and county health department personnel have determined that daily temperature checks do not provide significant protection from spreading the virus within our school community. Therefore, when we return to school on Monday, February 22nd, student will no longer be screened as they walk in the door. We will continue with other safety measures, however. Thank you for keeping your child home if they are not feeling well. All students and staff will continue to wear a mask any time they are in the building and we will continue to follow cleaning protocols and quarantining as indicated by the Delta County Health Department.

NHS Applications Available Now!

Sophomores and Juniors with a 3.2 cumulative grade point average are invited to join the National Honor Society. Applications are available in the office. Application essays are due by February 26th.
