Basketball/Wrestling Spectator Opportunities

Please see the Weekly Schedule for links to livestream opportunities for all basketball & wrestling events this week. For each local (in Delta County) event, all participants will be allowed to have **four guests** attend the game/match. Many out-of-county events are closed to spectators, but we will update as we get information from those schools. Thank you to all of our parents for their cooperation with mask and social distancing rules and for helping us to keep our kids on the court/mat and fans allowed in our stands!

Get Your Yearbook Now!

Yearbooks are still available. This will be a hard-copy, printed version of the yearbook. You are not paying for just a virtual link! Click [here](#) here to order yours today!

COVID Protocols *Change*

Our school district and county health department personnel have determined that daily temperature checks do not provide significant protection from spreading the virus within our school community. Therefore, when we return to school on Monday, February 22nd, student will no longer be screened as they walk in the door.

We will continue with other safety measures, however. Thank you for keeping your child home if they are not feeling well. All students and staff will continue to wear a mask any time they are in the building and we will continue to follow cleaning protocols and quarantining as indicated by the Delta County Health Department.

Scholarship Application Time!

Seniors planning for college or trade schools should be in the thick of scholarship applications right now! Information can be accessed on the Senior Class Google Classroom or the Counselor's Corner on the PHS website! For example, the [Western Colorado Community Foundation Scholarship](#) application has opened up online. This one application allows students to apply for part of over \$800,000 in scholarship money!
