## COVID Protocols

Thank you for keeping your child home if they are not feeling well. All students and staff will continue to wear a mask any time they are in the building and we will continue to follow cleaning protocols and quarantining as indicated by the Delta County Health Department.

## Basketball/Wrestling Spectator Opportunities

Please see the Weekly Schedule for links to livestream opportunities for all basketball & wrestling events this week. For each local (in Delta County) event, all participants will be allowed to have four guests attend the game/match. Thank you to all of our parents for their cooperation with mask and social distancing rules and for helping us to keep our kids on the court/mat and fans allowed in our stands!

## Season C High School Athletics

CHSAA Season C officially starts on Monday, March 8. Available sports this season are the Delta County Boys Soccer team in Delta and Girls Volleyball in Paonia. In order to participate, all athletes must have a current physical on file, pay-to-play of \$100 paid to the respective school and all forms completed on Planet High School.

## North Fork Reorganization \*Update\*

The DCSD School Board made the difficult decision to reorganize the North Fork schools to one high school in Hotchkiss, a K-8 school in Paonia, a K-8 school in Hotchkiss, and a K-6 North Fork School of Integrated Studies in Paonia. This decision was made based on three pillars: opportunities for students, enrollment, and fiscal responsibility.

The District plans to start immediately on these new configurations by establishing multiple committees to start the transition process. The committees will range from student culture, school culture, naming the school and mascot, and history of the schools. These committees will be open to members who are interested in moving the new configuration forward in a positive direction. The committees will be made up of students, staff, parents, and community members.
