Technical College of the Rockies

Sophomores and juniors interested in attending the Technical College of the Rockies next year, please see Mrs. Lightfoot to get started on your application. Secondary programs are available in automotive tech, cosmetology, drafting, fire science, medical assistant, and more! Spaces are limited, so don't delay! For more information on available programming please visit the [TCR website](#). or view [this video](#)

Season C High School Athletics

CHSAA Season C officially starts on Monday, March 8. Available sports this season are Delta County Boys Soccer in Delta and Girls Volleyball in Paonia. In order to participate, all athletes must have a current physical on file, pay-to-play of \$100 paid to the respective school and all forms completed on Planet High School.

North Fork Reorganization *Update*

Delta County School District has announced that Randal Palmer will be the Principal of the new high school in the North Fork. The District is in the process of meeting with current staff members to determine staffing positions for next year. Once staff members are in place, the District will begin to look at extracurricular coaches and sponsors.

The District is also in the process of forming several different committees to help with the transition into next year. One of the most visible committees will be the "Rebranding Committee," which will take suggestions from the public on a new name, mascot, and color combination. This group will then narrow down the options, allow students and the public to provide their input and ultimately present to the School Board. This committee will consist of students and staff members from PJSHS and HHS, as well as community members.

COVID Protocols

Thank you for keeping your child home if they are not feeling well. All students and staff will continue to wear a mask any time they are in the building, and we will continue to follow cleaning protocols and quarantining as indicated by the Delta County Health Department.

Season B Heads to the Post-Season

Regional Wrestling this past weekend resulted in Anthony Miller punching his ticket to the state tournament, held this coming Friday in Pueblo. Our girls basketball team will find out their final spot in the Top Ten tomorrow, and games will be announced as soon as possible. Good luck, Eagles!
