Coming Up:

PSAT9, PSAT 10, SAT - 4/13/21

Free Tutoring

Most teachers are available until 4:00 p.m. Tuesday-Thursday for tutoring and help. Contact a teacher today!

7th & 8th Grade CMAS

At this time, we are still planning to proceed with 7th and 8th Grade ELA and Math assessments as scheduled for Tuesday-Thursday this week (3/23-25). The tests will be given in the morning and students will have regular class in the afternoon. All students enrolled at PJHS, including online students, are included in state assessments.

PSAT & SAT

In addition, all 9th, 10th & 11th graders will take either the PSAT or the SAT on Tuesday, April 13th. This test will take place in the morning. Freshmen will attend a tour at the Technical College of the Rockies in the afternoon. Afternoon activities for sophomores and juniors are still to be determined. All students enrolled at PHS, including online students, are included in state assessments.

Technical College of the Rockies

Sophomores and juniors interested in attending the Technical College of the Rockies next year, please see Mrs. Lightfoot to get started on your application. Secondary programs are available in automotive tech, cosmetology, drafting, fire science, medical assistant, and more! Spaces are limited, so don't delay!

COVID Protocols

Thank you for keeping your child home if they are not feeling well. All students and staff will continue to wear a mask any time they are in the building, and we will continue to follow cleaning protocols and quarantining as indicated by the Delta County Health Department.

North Fork Reorganization *Update*

The Rebranding Committee began meeting last week and will continue in the coming weeks to narrow down options for a new name, mascot & colors for the new high school. Academic departments will begin the process this week of developing the master schedule or "menu of opportunities" for the coming year. In the next several weeks, counselors will begin meeting with students to develop class requests and schedules!
