## Coming Up:

PSAT9, PSAT 10, SAT - 4/13/21

## Free Tutoring

Most teachers are available until 4:00 p.m.

Tuesday-Thursday for tutoring and help. Contact a teacher today!

## PSAT & SAT

All 9th, 10th & 11th graders will take either the PSAT or the SAT on Tuesday, April 13th. They will complete the pre-administration portion of the test this week. Please be sure your student has returned their consent form to complete the student search portion. This test will take place in the morning. Freshmen will attend a tour at the Technical College of the Rockies in the afternoon. Afternoon activities for sophomores and juniors are still to be determined. All students enrolled at PHS, including online students, are included in state assessments.

## Technical College of the Rockies

Sophomores and juniors interested in attending the Technical College of the Rockies next year, please see Mrs. Lightfoot to get started on your application. Secondary programs are available in automotive tech, cosmetology, drafting, fire science, medical assistant, and more! Spaces are limited, so don't delay!

## COVID Protocols \*Update\*

We are so excited to announce that, with Delta County moving to Green on the COVID dial, we no longer have to limit spectators for our high school volleyball or junior high sports! Come on out and support our Eagles - be sure to remember a mask as those are still required! Thank you for keeping your child home if they are not feeling well. All students and staff will continue to wear a mask any time they are in the building, and we will continue to follow cleaning protocols and quarantining as indicated by the Delta County Health Department.

## North Fork Reorganization \*Update\*

The Rebranding Committee continued their work this week by narrowing down the school name, mascot & color options that will be voted on. Counselors will begin the process this week of meeting with students to develop class requests and schedules!
