## Testing & Field Trip Day - April 13th!

All 9th, 10th & 11th graders will take either the PSAT or the SAT and 8th Graders will begin their Science CMAS on Tuesday, April 13th. Please be sure your student has returned their consent form to complete the student search portion of the pre-administration for the PSAT 10 and SAT. Juniors should also make sure they know four colleges they may want to send their scores to. All students enrolled at PHS, including online students, are included in state assessments.

7th Graders will have a field trip to Escalante Canyon all day that day. 8th Graders will attend a Freshman Preview at the new high school in the afternoon. Current freshmen will attend a tour at the Technical College of the Rockies in the afternoon. **SOPHOMORES AND JUNIORS WILL BE RELEASED AFTER TESTING IS COMPLETE.**

## COVID Protocols \*Update\*

We are so excited to announce that, with Delta County moving to Green on the COVID dial, we no longer have to limit spectators for our high school volleyball or junior high sports! Come on out and support our Eagles - be sure to remember a mask as those are still required! Thank you for keeping your child home if they are not feeling well. All students and staff will continue to wear a mask any time they are in the building, and we will continue to follow cleaning protocols and quarantining as indicated by the Delta County Health Department.

## North Fork Reorganization \*Update\*

The Rebranding Committee continued their work this week by narrowing down the school name, mascot & color options that will be voted on. Look for a link to cast your vote on the district's website starting tomorrow. Counselors met with all current students this week to begin to select classes!

## Grades Are No Joke

Students with an F at noon on Thursday will be **required** to attend after school tutoring Tuesday-Thursday until their grades are up! Tutoring will end at 4:00 p.m.
